About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Garvey School District adheres to California Education Code, which requires that each student, including English Learners and those in special day classes, have a State-adopted, standards-based textbook/application for use in the defined subject areas of English/reading/language arts, history-social science, mathematics, and science. Students must be assigned a single textbook/application in each subject that they can use both at home and in class.

Instructional materials at Garvey School District support the curriculum, the California frameworks and California Standards, and instructional strategies; comply with California Education Code requirements regarding the evaluation of materials; and are deemed appropriate for the grade, ability, language proficiency, and maturity level of students being taught.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents, guardians, and community members are an integral part of the support system for Garvey School District students and have a multitude of ways in which they can get involved to contribute to students' educational experience. Maintaining constant communication with their child's teacher(s), attending Parent/Teacher Conferences, participating in Back-to-School Night and Open House, staying informed through notices, memos, phone calls, newsletters are other examples of involvement.

In accordance with Title 1 regulations, our school jointly develops with parents a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and engage in a partnership to help children achieve the State's high standards.

There are ample opportunities for parents to participate in the governance of the school by joining any of the many committees such as School Site Council, ELAC, School Advisory Committee, and District Level Committees as well.

The purpose of the ELAC (English Learner Advisory Committee) is to advise the principal and school staff on programs and services for English learners and the School Site Council on the development of the School Plan for Student Achievement. Representatives from this group attend monthly DELAC meetings facilitated by Learning Support Services.

The SSC (School Site Council) is a team of the principal, teachers, other school personnel, parents, students, and community members who are elected that develop the mission and goals for the improvement of an individual school community. School Site Council evaluates the effectiveness of the school plan and revises it based on data collected throughout the year. This group meets once a month.

In addition, parents can take advantage of the numerous parent workshops that are provided by Learning Support Services, held at the District Parent Center (IPO) on topics from parenting, academic achievement, children's social emotional needs, to school funding. It is always a pleasure to welcome parents/guardians to student performances, student recognition assemblies, and school functions and events. We appreciate your support and partnership.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Garvey Intermediate has developed a Comprehensive School Safety Plan. Its' priority is the safety of students, staff, and community members on the Garvey Intermediate campus. The School Safety Plan is reviewed by a school safety committee comprised of staff and parents and revised each year to include updated information. The plan is submitted to the school site council for approval and forwarded to the Garvey School District Board of Education for final approval. Teachers are trained on safety issues by district personnel, the school principal, and consultants. Each teacher is assigned a binder containing emergency procedures and carries this binder to all emergency drills to ensure reference to procedures as needed. A copy of the complete Comprehensive School Safety Plan can be found in the school's main office.

Moreover, fire drills are called monthly; lockdown drills are called twice a year and a district-wide disaster drill is called each fall. The school employs one campus security supervisor who patrols the campus on foot throughout the instructional day. The school safety plan includes a schoolwide discipline plan that is communicated and distributed to students and staff each fall at the commencement of the school year.

Suspensions	3.5	0.9	3.4
Expulsions	0.0	0.0	0.0

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Garvey District is committed to providing high quality professional learning for administrators, teachers, classified staff and parents that is aligned to the District's Mission and Vision. District teachers and support staff participate in Professional Development Days that are driven by student achievement data, staff learning needs, and research-based best practices. Four District-wide days of professional learning and collaboration are concentrated around our academic and whole-child focus areas with an emphasis on English Learners, Foster Youth, and Low-income Pupils. These focus areas are in direct alignment with federal, state, and district student achievement academic goals. Additionally, they drive effective instructional interventions to promote students' academic growth. Each site's professional development plan is designed collaboratively to address identified student achievement and staff needs that are aligned to the District's focus areas as indicated in each site's School Plan for Student Achievement (SPSA).

The District's Resource Teachers support District instructional initiatives and compliance efforts around English Learner services and Significantly Disproportionality. A team of veteran teachers serve as the District's teacher support program mentors for Garvey's Teacher Induction Program for participating teachers in the process of clearing their credential. These programs support the training, development, and retention of high quality teachers using current research on effective teaching and grounds what they are learning in daily practices. Garvey administrators, teachers, and District Certificated staff also engage in regular Professional Learning Community opportunities to grow and learn collaboratively with peers.

The school provides a wide range of programs and supplemental services to meet the learning needs of students in order to develop their full potential. They include: 1) the standards-based core programs for all students that are supported by the district adopted curricular materials and 2) supplemental services for identified students that are funded by programs such as special education, English Language Development instruction for English Learners, and both school-day and after-school support for low achieving learners and those of low-socioeconomic backgrounds.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
